

BEIT SHOFAROT

Home School Group

Beit Shofarot Home School Group seeks to offer Messianic families an opportunity to assemble and take an active role in the education of their children. As a Messianic Jewish faith based group we strive to assist families with teaching their children various aspects of the Torah with an emphasis on Yeshua HaMashiach.

Although curriculum choice varies from family to family, as a group we offer children Messianic Art/Culture courses in:

- Understanding the 7 Feasts of Adonai
- Understanding the Jewish Holiday's of Hanukkah and Purim
- Jewish History
- Hebrew
- Israeli/Messianic Folk Dance

In addition to the courses offered above we also have group studies in the areas of Language Arts, Mathematics, Art, History, and other academic areas. We will also be taking periodic field trips. As a general rule we try and meet up at least once a week.
